Disarmament Commission
Substantive session of 2016
New York, 4-22 April 2016

Proposal for the inclusion of an additional item in the agenda of the Disarmament Commission for 2015-2017

Working paper submitted by China, the Russian Federation and the United States of America

The delegations of China, the Russian Federation and the United States of America propose the inclusion of the following additional item in the agenda of the Disarmament Commission for 2015-2017:

> In accordance with the recommendations contained in the report of the Group of Governmental Experts on Transparency and Confidence-building Measures in Outer Space Activities (A/68/189), preparation of recommendations to promote the practical implementation of transparency and confidence-building measures in outer space activities with the goal of preventing an arms race in outer space.
